CLASSIFICATION

- 1 It is important to note that new levels in the Classifications will be created as each category attracts more participants.
- 2 I-karate can be further categorized by age, gender or belt grade. A category needs to have enough competitors for a competition to be viable. The minimum of 3.
- 3 Our experience has shown that both I-Kata and I-Kumite need to be carried out one after the other for disabled people to minimise waiting time and also to reduce organisation time.
- 4 Complains can be done at the table only by the official inscribed coach of the team.
 - The table will talk about the issue to the comfort referee who is responsible for that particular floor.
 - Together they make a decision, if no decision can be made the head comfort referee at the tournament will be involved and will make the final decision.
- 5 Any bad behaviour, verbal, physical, by competitor, coach or spectators of a certain competitor to anybody of the organizing team (judge, tables, entrée, comfort referee) will result in exclusion, of the participant or even the whole team.
