H. IKF-IKG competitions and support

We can only make this organisation a success If we support each other and help.

**Try to participate at the seminars that we provide it will make your organisation stronger*

**Try to join our IKF competitions otherwise we don't have a competition. Even if your country can only send 1 person it is fine*

Only IKG country responsible can organize these competitions!

The commission will agree for the date and please, check before if there is no other IKF-IKG competition at that moment.
